2nd Annual Golf For Hope Tournament

2019 Sponsorship Form

Kanon Valley
Country Club

Saturday, July 13, 2019

We started Emma's Hope in honor of our daughter, Emma Grace, who battled a rare form of lung cancer and went home to be with Jesus on February 7th, 2017, just before her second birthday.

Through Emma's Hope, our family is able to use what we went through to directly help other families going through similar circumstances. We know that when your child is going through treatment, they are your only focus. The treatment plan for a child often demands constant travel and extended hospital stays. Parents often go weeks and months without working - some even losing their jobs - in order to care for their child.

We provide financial support to approved families for travel and food expenses as well as unexpected or miscellaneous bills. The heartbreaking loss of a child is enough of a weight on a family in and of itself. Because of that, we help cover bereavement expenses to lighten some of the financial burden for families who have recently lost a child.

We need your help to carry out the dream and vision of Emma's Hope. All the money raised at this tournament goes directly to the families we are here to serve. Emma's Hope is made entirely possible by individuals & corporations like you.
